USTA Mississippi Championship Procedures

USTA Mississippi is comprised of the eight local leagues of Delta, East Central, Gulf Coast, Jackson, North Central, Northeast, Pinebelt, and Southwest. The USTA Mississippi Championship Information document will apply to all USTA Mississippi State Championships. When not stated in the Championship Information, the National and Sectional regulations and Friend at Court will apply.

Due to the possibility of championship dates and locations being modified for reasons outside of our control, USTA MS highly encourages players to secure lodging at places that allow refundable deposits.

Team Eligibility

- Local winning teams and teams qualifying based on regulations will be allowed to advance to the state championship
- Wildcard or replacement teams qualifying based on regulations will be allowed to advance to the state championship. Wildcards are issued based on regulations and a blind draw. In the final weeks prior to a state championship, wildcard openings may be opened to all local leagues if needed to be filled immediately. Additional wildcards may be extended under the discretion of the state league coordinator (tournament director).
- The minimum number of players to field a full team match is required for team entry for a championship unless a waiver is granted. Where combined or multiple NTRP levels are present, the minimum must include the proper combinations to field a full team match. Teams that share players must have enough unique players registered for the event per team to field full team matches.
- The state league coordinator (tournament director) may issue invitations to all teams to attend the championship in groups in which there is a limited number of teams available statewide depending on the overall ability of the event to accommodate additional teams
- The state league coordinator (tournament director) may declare an entire group's competition be held as a "local at state league" if there are a limited number of teams available statewide.
- For groups in which play for the entire state occurs within one local league, that local league winner will advance to the next level of competition.

Player Eligibility

- **Membership:** Players must possess current USTA membership through the conclusion of the state championships
- **Match play:**
 - **USTA League Adult 18 & Over, Adult 40 & Over, Adult 55 & Over, Mixed Doubles 18 & Over, and Mixed Doubles 40 & Over:** Players are eligible to advance to the state championship level competition if that player has played on that same team in at least 2 matches during its local league season. A maximum of 1 default received by the player during local league competition shall count for advancing to State. Retirements count as a match played.
 - **Mixed Doubles 55 & Over, Adult 65 & Over, Tri-Level, and Southern Combo Doubles:** If local play was available, players are eligible to advance to championship level competition if that player has played on that same team in at least 1 match (1 of which may be a default received) during its local league season. If local play was not available, the player/team may advance with no match play requirements.
- **Participation:** Players who qualify for State Championships may advance on multiple teams, but there will be no scheduling accommodations extended. A player may not compete on multiple teams in the same NTRP level within the same age group. For example a player may not play on two 3.0 18&Over teams. Teams that share players must have enough unique players registered for the event per team to field full team matches.

Cancellation Policy

Should inclement weather or other circumstances prevent the completion of tournament play at the State Championships during the published dates of play, the Tournament Committee will determine whether the matches played at the point of cancellation will be used to determine round robin group winners and a champion and finalist in any of the levels. If the Tournament Committee determines that there was a lack of "equal opportunity" for all teams in a level due to the schedule of play, the Tournament Committee may place all teams in a drawing or choose another method to determine the champion and finalist in each level. If any team (s) in a round robin flight is mathematically out of contention at the time of championship cancellation it will be excluded from any drawing.

The tournament committee reserves the right to alter format, scoring, surface, site location, and scheduling as it deems necessary.

Tournament Committee will use proper and fair judgment with regard to all state tournament-related issues.

Tournament Committee: To be appointed by Mississippi Adult League Committee Chair with Tournament Director serving as Chairman.
